Itinerary

Day 1

This morning we travel to the delightful little village of Esholt enjoying a refreshment break along the way, arriving around 12:00. Esholt is a well visited little village as it was formerly used as the setting for the filming of the television drama Emmerdale Farm. We then enjoy a short visit to Skipton. With its famous 900 year old castle, romantic ruined priory and historic cobbled High Street, Skipton is endlessly rich both in history and outstanding natural beauty. We then travel to our hotel in Bradford where we will enjoy a 3 course evening dinner.

Day 2

After breakfast we travel to the delightful town of Harrogate where you can enjoy a nice cup of tea and a cake at Betty's Team Rooms. We then continue to historic York for the afternoon before departing for home at 3pm.
