### **Jones Holidays celebrate another successful Party Break.**

North Wales coach tour operator Jones Holidays is celebrating yet another successful annual customer Reunion Party Break which was held at the Metropole Hotel in Llandrindod Wells on the 17th January 2020.

Over 100 customers travelled to mid Wales from across North Wales, the Wirral, Wrexham and Cheshire to join the managers and staff for a fun weekend of celebration and fantastic excursions.

Jones Holidays hold the Party Break weekend every year, giving customers the opportunity to meet each other again and join in with a fun filled weekend.

Jones Holidays Sales and Marketing Manager, Beverley Cooke, said; "The Party Break is a very special event in the Jones calendar and our customers always have a great time, as do our staff. Meeting our customers face to face on the Party Break is a real treat, and the event is always great fun.

This year we raised money for two charities in our charity raffle; Action for Children and Children with Cancer. And we were all delighted to have raised £500, which we know will be very much appreciated by these two worthwhile charities.

We've seen even more new customers joining us this year as well as our regular customers and it's always a pleasure to meet everyone again, and see a lot of new faces as well."

Jones Holidays passengers also enjoyed excursions to Ludlow, Hay on Wye, the Elan Valley and the Penderyn Distillery, as well as enjoying entertainment in the evenings, and fantastic food.

Jones Holidays provide UK and European coach holidays with an exclusive home pick-up service on all holidays of 3 days or more.
