## SCHOOL BUS TOP TIPS

With a new academic year around the corner getting back into the swing of school travel can be a challenge after the summer holidays. Whether you are returning to your school and are familiar with the buses or attending a new school and need some advice, we've got some tips to help.

1) Top of the list is to go to school with a smile.

2) Wear suitably bright clothing, it'll be getting dark and damp in the mornings soon.

3) Get to the bus stop early.

4) Say 'good morning' to your driver, it will make him/her happy and you may get a 'good morning' back.

5) Carry your bus pass everyday & show it to the driver when you get on the bus.

6) Remain seated when the bus is moving & have a safe journey.

7) Wear your seat belt.

8) Keep your mobile phone and other valuables with you; don't leave them on the bus as it's probably going on to another run straight afterwards.

9) Don't smoke, it's really bad for you. Plus it's against the law. Let the driver or teacher know if others are smoking because that's not good for them either.

10) Have a great day in school and learn something new.
